

Beckta dining & wine

As we celebrate 8 years of success, we are proud to announce the biggest and most exciting addition ever to our menu.

Starting May 17th, we will offer an expansive 8-course Tasting Menu. As with our 5-course tasting menu, it will be blind and seasonally based, but this menu will offer an even greater gastronomic adventure. The eight-course option will showcase products which we may not be able to acquire in substantial quantities, or perhaps use more elaborate cooking techniques not suitable to other menus. The menu will cost \$120, with an optional wine pairing for \$75, plus tax and gratuity. Our 5-course option will remain at \$79 for the menu and \$42 for the optional wine pairing.

Due to the complex nature of these two menus, we ask you to let us know when making your reservation if you are interested in either one of these menus, along with any dietary restrictions or allergies you or your guests may have.

We invite you to come in and experience the best we can offer, either from our regular à-la-carte menu, or by putting yourself in the Chef's hands with our 5 or 8-course Tasting Menus.

Please make reservations online at www.beckta.com
or by calling 613-238-7063.
